This - is- mr. - Orlando - Antonio- I - was  
calling - on -the- courts - wisdom - in obtaining - information - that - I - am  
seeking - to - know - what- is- the- length- of- time that -a - federal -court- has  
- to - make - a - ruling - on - a -default - judgement - in - a - civil - case.-

Is - the - court - judge (Joel H -slomski)- going - to - order - a - prove - up  
hearing ? - or - will - he just - rule - on - the - default. Without - having - a prove  
- up - hearing - this - is - just - some -information- that - I - am - trying - to -  
get - clarity - on - pertaining - to - my - case -thank - you - sincerely - yours -  
Orlando - Antonio - C.C. - chief - administrative - judge - Lawrence - Stengel.
